- ❑ **Preparation of HLP training module** to provide training to the interested candidate will participate.
- ❑ **Mutual exchange of experts among the member countries.**

DECISIONS OF THE FIRST HLP CONVENTION

1. HLP Foundation Bangladesh is requested to be the secretariat and coordinator of the convention.
2. Focal points to be nominated from each member.
3. To prepare the process of joining the new members in two months.
4. Members are requested to share the reports/activities with HLP foundation to be posted in website quarterly.
5. Next Convention: Date and place.

SUGGESTIONS

- ❑ Due to diverse culture, Good practices need to be localized before replication
- ❑ There are some interested institutes to join the HLP convention
- ❑ Mongolia is very rich in Documentation, then it is requested to share the experiences of document collecting and preparation with others. It is better to organize an online programme to share its experiences with other HLP convention members
- ❑ Sharing the experiences between Government organizations (G2G)
- ❑ India is good for selecting good practices and preparing fact sheets. We propose for a webinar to share its experiences with other HLP convention members

TO CONCLUDE

- ❑ | Redefining Learning
- ❑ Inter-connectedness of Global issues
- ❑ Local and Global Connect – Glocal context
- ❑ Involving academic, developmental institutions and like minded institutions.

THANK YOU
